

Silca Slot Key for Land Rover®

Silca is pleased to introduce a new reference for duplicating Land Rover® slot keys: the perfect solution for replacing damaged or lost keys, or to have a duplicate in case of emergency.

What are the main features?

The Silca Slot Key for Land Rover® has a similar design as the original key and is supplied ready-to-programme with the PCB, transponder and emergency blade included.

It has five function buttons (lock, unlock, boot release, lights and hazard lights) and can be used on the vehicle model listed below. The key can be programmed with a diagnostic device.

The key is packed individually in a plastic clamshell for easy identification and hook display.

CE The Silca Slot Key for Land Rover® has been produced in conformity with CE mark European standards.
