AKK-CASE

The Ultimate Killer Kit (AKK-99) is the first choice of locksmiths wanting to get into virtually every car on the road today! The AKK-99 includes the same tools as the Classic Killer Kit (AKK-88), plus the Over Hook™ (CO-68), the Reverse Over Hook™ (CO-67), the Stretch Double "L" (CO-71), the Short Double "L" (CO-72), the Lasso™ (CO-73), the Trip Tool (CO-74), the Instant Explorer Tool (CO-79), and a Novice Pick Set (PIP-13). The Ultimate Killer Kit comes complete in a deluxe, highly durable, custom-made carrying case. This is the ultimate set of tools for Lasso, Picking, Through Vent, Through Lock, Through Handle, Through Car, Under Button, and Under & Over styles of car opening. With these tools you will also be able to attack all types of vertical and horizontal rods, lazy pawls, bell cranks, and the GM latch.
