

Updating BD Laser (Bianchi 994) via the internet

Insert LAN (network) cable and follow step by step instructions

<p>Step 1</p>		 A close-up photograph of a machine's menu screen. The screen is blue and displays several icons. A wooden stick is pointing to the 'SETUP TEST' icon, which shows a test probe. Other visible icons include 'KEY SEARCH' (with a magnifying glass), 'MACHINE DATA' (with a machine diagram), and 'SETUP' (with a machine diagram).	
<p>Step 2</p>		 A close-up photograph of the machine's menu screen. The wooden stick is now pointing to the 'SOFTWARE UPDATE' icon, which shows a CD-ROM and a software box. Other visible icons include 'SETUP' (with a machine diagram) and 'PASS MAN' (with a circular icon).	
<p>Step 3</p>		 A close-up photograph of the machine's menu screen. The wooden stick is pointing to the 'NETWORK SETUP' icon, which shows a computer monitor and a network card. Other visible icons include 'UPDATE SOFTWARE' (with a software box), 'TRANSFER MAC. DATA' (with a network card), 'tcp/ip' (with a network card), 'modem' (with a modem icon), and 'INTERNET SETUP' (with a network card). The date 'SEP, 16, 2009' and the user 'ADMIN' are visible at the bottom.
